

Sponsorship Opportunities – Support Your Local Youth Softball

The [Belmont-Redwood Shores Youth Softball Association](#) is an ALL-volunteer organization that teaches girls ages 5 to 14 the skills necessary to play the great game of fast-pitch softball.

Every year we provide local businesses with opportunities and options to support the league. These sponsorships help to cover the costs of field improvements and repair, umpire fees, equipment, training, insurance and other costs. Funds also help to cover the costs of scholarships for families who require financial support. *No girl is ever turned away for inability to pay.*
